# What is **VOCATIONAL EDUCATION TRAINING?** (VET)

**Vocational Education Training (VET) is what the Australian workforce is built on. This training prepares you for work in various jobs across many industries.**

It gives you accredited training in job-related and technical skills allowing you to join or re-join the workforce, move into a different career or enter higher education.

You can also upgrade your skills by adding a VET course to complement a degree you already have or wish to do in the future. This combination of practical experience gained through a VET course coupled with your current

degree makes you very employable and valuable for a range of jobs and careers. Courses range from Certificate I - IV to Diploma and as high as an Advanced Diploma.
